

We know he's fine

He is fine, he's all right
He looks down on us tonight. He keeps me safe, keeps me strong
My good friend where've you gone? He's smiling down still today
His spirit stays with us all day. We love you, with all our hearts
Two Nineteen was where it starts...

('Cause hes fine, 'cause hes ok. Well never forget Cole Ballay
An angel got his wings far too soon. His absence is a song with no tune
But we'll hold our heads up high. And see his face in the sky
And we'll know that he's ok. And we'll know that he's ok.)

His sense of humor will be missed; Dedication and talent add to the list
This bright future of this young man is what god wanted in his plan.
And we can think that it's not fair. And we all show that we care
But it's all right. But it's ok. We know hes fine to this day...

('Cause hes fine, 'cause hes ok. Well never forget Cole Ballay
An angel got his wings far too soon. His absence is a song with no tune
But we'll hold our heads up high. And see his face in the sky
And we'll know that he's ok. And we'll know that he's ok.)
Cole Ballay give me a sign. I need to know that you're just fine
Your name will always live on; Tattoos and faith wont be gone
'Cause we love you, And we miss you
Yes we love you. We miss you
But we all know...

('Cause hes fine, 'cause hes ok. Well never forget Cole Ballay
An angel got his wings far too soon. His absence is a song with no tune
But we'll hold our heads up high. And see his face in the sky
And we'll know that he's ok. And we'll know that he's ok.)
